Welcome to 2020 Auto Detailing

We are a professional auto detailing company in Hawaii that provides the best work for your hard earned money. We complete a 42 point checklist that ensures excellent service and quality work. Here at 20 20 Auto Detailing, we provide many services that the market has to offer with competitive pricing. We also offer maintenance programs to assist you with your busy schedule that will keep your car looking new for a long time. At 20 20 Auto Detailing, we understand that your car, truck, or SUV is more than just a simple mode of transportation. No matter what you drive, you get unparalleled attention to detail, the finest techniques and products, and fast, friendly service to protect your automotive investment and bring out the full beauty and luster of your vehicle. But our detailing services are more than just paint deep. We also specialize in extensive in-depth efforts to restore damaged vehicles to their original state, or even better! Regardless of your busy schedule, the convenience and flexibility of 20 20 Auto Detailing provides you with the professional automotive detailing your vehicle deserves at a competitive price you can afford. If you're particular about your vehicle's care and maintenance, don't settle for anything less than the best. 20 20 Auto Detailing was started because of our extreme affinity for the beauty and brilliance of well-maintained cars, trucks, and SUVs. With our affordable and diverse services, you can now put our passion for beautiful automobiles to work for you. Whether you're concerned about resale value, enjoy the pride of owning a well-conditioned vehicle, or are simply curious to see the full potential of your automobile, 20 20 Auto Detailing is the only name you need to know. Contact us for any more questions you may have. We'll be happy to assist you.
